## PUA Data Security Incident Claim Form

### SETTLEMENT BENEFITS – WHAT YOU MAY GET

If you received notice that your personal information may have been compromised in the Deloitte Consulting LLP PUA Data Security Incident announced in May 2020, and if you do not opt out of this settlement, you may submit a claim for monetary benefits.

The easiest way to submit a claim is online at [www.PUAsettlement.com](http://www.PUAsettlement.com), or you can complete and mail this claim form to the mailing address above.

**You may submit a claim for one or more of these benefits:**

**Cash Reimbursement.** Use the claim form to request money for one or more of the following:

1. **Reimbursement for Money You Spent.** If you spent money to purchase credit monitoring or identity theft protection services between the date you received Notice of the PUA Data Security Incident and August 30, 2020, then you can submit a claim for reimbursement up to \$120. You must submit documents supporting your claim.
2. **Reimbursement for Time Spent.** If you spent time dealing with or taking efforts to protect against fraud or identity theft or to protect yourself from future harm that is fairly traceable to the PUA Data Security Incident, then you may make a claim for monetary reimbursement for that time. All Settlement Class Members may submit a claim for reimbursement of undocumented Attested Time up to four (4) hours at \$20.00 per hour for self-certified Attested Time. However, if you spent time dealing with fraud or identity theft or to protect yourself from future harm that is fairly traceable to the PUA Data Security Incident and can provide Reasonable Documentation of your claim for this time, then you may also make a claim for reimbursement for up to eight (8) additional hours at \$20 per hour. Reasonable Documentation includes documents such as receipts, telephone records, or contemporaneous correspondence.

**Settlement benefits will be distributed after the Settlement is approved by the Court and is final. If you submit a claim, it will be maintained as confidential and not shared with either Deloitte Consulting or your State Agency.**
