Ulta Beauty with locations across Bergen and Passaic counties is **facing a lawsuit** (<http://dig.abclocal.go.com/wls/documents/Ulta%20Class%20Action%20Complaint.pdf>) saying the corporation repackages returned cosmetics and sells them to unsuspecting customers.

Ulta has 1,058 stores in 48 states and Washington, D.C., including ones in Maywood, Garfield, Clifton and Edgewater.

Attorney **Tom Zimmerman** said (<http://abc7chicago.com/business/lawsuit-ultra-re-sells-returned-beauty-products-as-new/3072981/>) some products seemed to have been previously used, like eyeshadows missing a brush and cleansers that were already opened.

The complaint filed in Illinois cites claims by former Ulta employees that the retailer has a limit on how many returned items can be tossed.
